NEWSLETTER

FEBRUARY, 2009

December:

Again we had a very enjoyable time at the our Annual Christmas Dinner at Oglies. We want to give a special Thank You to Oglies for putting this on each year for us. We had our usual exchange of presents and the fun involved with that. Some did a good job of hiding what they got so no one could steal them. Thanks to Doug and Matt for putting together a DVD show that we watched thru the night.

We also had our Annual visit from Santa for the kids. We want to express our Thanks to Carrie

Lynn for helping this turn out great for the kids that came.

January-Little Sahara:

Seems the weather scared many away for this ride. Matt braved the day for the Utility riders. There were some sport bikes that also showed up and went to the back bowls.

Message from Doug:

Please help us by Volunteering your time and signing up for slots of time to sit at Dealers to promote Club information and signing up people to join Club. Contact Doug Young and set up a time. Everyone is needed to help build club membership. We are also making sure that Dealers have the information to give free membership for the year of purchase of an ATV to NEW Members. It takes each one of you to help others know about the club and the good it does. We not only enjoy a monthly ride but promote responsible and safe riding. It is our responsibility to help do all we can to keep areas open for future generations.
